

Flow Chart of Walsall Safeguarding Partnership Local Arrangement for Screening Referral Requests for Safeguarding Adult Reviews

Referral received into Safeguarding Business Unit

Screening meeting held by Statutory Partners and Safeguarding Business Unit

Does not meet criteria.
No further Action.

Other Activity Identified.
Statutory Partners determine suitability for single agency action arising from the referral.

Scoping and chronology documentation requested from partner agencies with return date of 6 – 8 weeks.

Multi-agency scoping meeting held to discuss agency returns and identify learning.

Partners to establish if all learning has been reached and SAR in Rapid Time to be completed. Report written by Independent Chair and published.

If it is agreed that further learning may be gained then an Independent Review Author will be commissioned to carry out a full, traditional SAR.

Panel meeting arranged with additional information reports and practitioner discussions held.

Full Report written by Independent Review Author and published.
